

WORLD IN UNION

Key – B flat

There's a dream I feel, so rare so real,
of a world in union, the world as one

Gathering together one mind one heart,
every creed, every colour once joined never to part
Searching for the best in me, I will find what I can be
If I win lose or draw, there's a winner in us all

It's the world in union, the world as one
As we climb to reach our destiny, as new day has begun

We may face high mountains, must cross rough seas,
We must take our place in history and live with dignity
Just to be the best I can, is the hope for every man
If I win, lose or draw, there's a victory for all

It's the world in union, the world as one
As we climb to reach our destiny, as new day has begun x 2
